

NAEC Family Update

FEBRUARY 27, 2024

February has flown by and we can't believe it is almost March Break.

In February, we have had another Ski Trip, hosted an Elementary Senior Basketball tournament for Northern schools, participated in Senior Basketball LESAA tournaments, distributed report cards, welcomed Gr. 8's and families to our Gr. 9 Information Night, had students making course selections for next year, finished up a successful Secondary Girls Volleyball season and much more. At the same time, important learning has continued in our classrooms and we are excited and proud of the progress of our learners.

I also want to take this opportunity to give a huge shout out to our School Advisory Council who have been working so hard this year to offer great opportunities for students (Hot Lunches, Christmas Shop) as well as hosting some amazing fundraising opportunities (Festival of Trees, Pancake Breakfast) to support our school. We greatly appreciate the time and dedication of the members of our School Council who are working to ensure we can provide great opportunities for our students.

LOOKING FOR CO-OP PLACEMENTS

We have a couple of students interested in pursuing a trade based Co-Op opportunity. If you or someone you know might be interested in having a Co-Op student work with you, please reach out to Joel Hasler, Co-Op teacher. Joel can answer any questions you might have about hosting a Co-Op student.
